

RESOLUTION NO. 2014-14

A RESOLUTION REGULATING PARKING ON PORT PROPERTY.

WHEREAS, among its legal authority, the Port, through its Board of Commissioners has the duty of adopting policies for the organization; and

WHEREAS, the Board finds that in order to be the best stewards of the public lands to which it is entrusted, that it is necessary to promulgate an ordinance regulating parking on Port property. This is the resolution to go with that ordinance; and

WHEREAS, both the Airport and Marina Advisory Committees have discussed this issue and had no objections to addressing it this way; now, therefore,

Overnight parking is not permitted on any Port property unless specifically authorized.

Section 3 Scappoose Bay Marine Park Provisions

Parking Fee – Every vehicle parked at the Scappoose Bay Marine Park shall display a current annual parking pass or receipt showing payment of the daily fee. The daily parking fee entitles the vehicle occupants to park a motor vehicle for the day the fee is paid. The annual fee entitles the vehicle operator to park over the period of the calendar year so designated. Parking fees apply to vehicles without trailers parked in standard parking spaces. Any occupants of a vehicle displaying a parking pass of either type are permitted full use of the public areas of the Marine Park, except the launch ramp. Use of the kayak dock is included in the parking fee.

Launch Fee – Every vehicle that either uses the launch ramp or parks with a trailer in the trailer parking area shall display a current annual launch pass or receipt showing payment of the daily launch fee. The launch fee permits the vehicle operator to park a vehicle and boat trailer and to both unload and reload a boat for the day the fee is paid and permits full use of the public areas of the Marine Park. Any trailers parked without a tow vehicle will be considered abandoned.

RV Park Fee – Every vehicle parked in the RV park shall display a receipt showing payment of the RV park fee. An RV park fee is good until the following day at 12:00 PM. Any vehicles parked must be fully within the RV space. An RV park fee permits up to one recreational vehicle and one other vehicle in the same RV park space. At no time should there be more than one recreational vehicle per space.
